

barton business network 

Are you aware that you're missing out on a great opportunity to **market your business**

The Barton Business Network meets the last Tuesday of the month at The Bowls & Tennis Club in the heart of Earls Barton village. We are an informal, not-for-profit networking group, enjoying relaxed and supportive meetings from 8am–10am, costing just £10 on the door.

- **Freshly made breakfast (special diets catered for, with advance warning);**
- **Quality speakers, on subjects relevant to all areas of business and our work/life balance;**
- **Excellent opportunity to spread the word about your business;**
- **No membership fee;**
- **No pressure for giving referrals.**

No matter what size business, whether you're a Sole Trader or selling on behalf of a larger company, if you have something that will be of benefit then why keep it to yourself.

We look forward to welcoming you to our next meeting.
